ABOUT EHCW

Join us **Tuesday, March 11th, 2025**, as we celebrate International Women's Day, in support of EHCW (Elspeth Heyworth Centre for Women), at our **SIP & SUPPORT HIGH TEA with a TWIST** at Castello Ristorante.

EHCW, is a community organization providing programs and services to girls and women facing violence in the GTA, through prevention, intervention, and program recovery, led by award winning Order of Vaughan Recipient Sunder Singh.

EHCW is in urgent need of support for services and programming to assist the growing number of at risk youth who are potential victims of human trafficking seeking refuge at the centre. The centre is also actively working to reduce the incidence of domestic violence, alleviate conditions of isolation, and poverty among women and seniors, and connect those facing linguistic or cultural challenges to vital support programs.

We need YOUR support to make this event a success! Explore our sponsorship package and become a vital part of this meaningful initiative. Your contribution will not only showcase your commitment to women's empowerment but also make a lasting impact on the lives of women facing domestic violence and youth at risk of human trafficking.

The EHCW journey is a story of triumph, empowerment, and the success of a better tomorrow. Because TOGETHER we all thrive.
